Proposed Amendment to Intellectual Property Regulations

Date of Academic Council endorsement: 19/09/2007
Academic Council resolution number: AC/123/2007
Date of Legislation Committee endorsement: 30/11/2007
Legislation Committee resolution number: LC/12/2007

Proposed amendment: (all changes to be shown in mark-up)

Intellectual Property Regulations - Schedule 1 (Dictionary):

“Accrued Costs” Any costs and their associated Overhead Charges that are not recovered by way of Gross Revenue in any Financial Year and that are carried over to the next and subsequent Financial Years.

“Contributor” Either an Employee, or a Student, or both, whose authorship of, or contribution to the development of, Intellectual Property, if it were done:
   a). in his or her private capacity; and
   b). in the absence of any express or implied contractual arrangement to the contrary between that Employee or Student and any one of more of:
      i). Murdoch;
      ii). a Related Entity; or
      iii). another party

would entitle that Employee, or a Student, or both, to own, in whole or in part, that Intellectual Property.

“Conventional Scholarly Output” Academic publications produced by an Employee for the purpose of publication in academic books, journals or conference papers (whether hard copy or electronic). For the avoidance of doubt, the expression “Conventional Scholarly Output” does not include course materials or teaching materials. All costs, charges and expenses incurred or paid by Murdoch in a Financial Year relating to the creation, development, protection or commercial exploitation of Murdoch IP, including costs, charges and expenses:

   a). associated with acquiring and maintaining statutory protection for the Murdoch IP;

   b). base costs of undertaking further development of the Murdoch IP;

   c). of licensing Murdoch IP;
d). of marketing, production, distribution, product testing, advertising and sale;

e). of obtaining advice relating to commercial exploitation; and

f). of obtaining licences or assignment of Intellectual Property owned by a Third Party to be used as part of the commercial exploitation.

"Employee" Any person employed by Murdoch in a full, part time or casual capacity, regardless of the permanency of the position. For the purposes of these Regulations and for the avoidance of doubt, the expression “Employee” includes a Student who is employed by Murdoch.

The accounting period that Murdoch adopts from time to time for its accounting and financial reporting requirements.

"Financial Year" All income, including royalties, assignment fees, etc that Murdoch derives or receives, and retains, in a Financial Year resulting from the commercial exploitation of Murdoch IP. For the avoidance of doubt, “Gross Revenue” does not include amounts received:

a). for conducting research (including research grants);

b). for creating or developing the Intellectual Property in question; or

c). pursuant to a consultancy (whether a research consultancy or otherwise) conducted by a Contributor on behalf of Murdoch.

"Gross Revenue" The results of creative effort protected by law, including rights relating to:

a). inventions (including patent rights);

b). information which is of a kind and which has been communicated in such a way as to give rise to a duty of confidentiality;

c). information which is subject to an Employee's duty of fidelity to his or her employer;

d). trade secrets;

e). copyright;

f). trademarks, whether registered or unregistered;

g). registered designs and designs capable of being registered;

h). plant varieties and the rights of breeders of such varieties;

i). circuit layouts; and

"Intellectual Property"
